

WOODSOUL

TRADE PROGRAMME · INTERIOR DESIGNERS & ARCHITECTS

Aegean driftwood, for rooms that *have no sea.*

One-of-one sculptural pieces, shaped by hand from wood the Aegean returned to the shore. Every work exists once. Design professionals enjoy preferential terms on the collection, and commissions developed with their studio.

Nikolas Sideris · Studio, Attica

The collection

36 finished works across four series: Greece, Naxos, Mykonos, Santorini. Every piece is in stock and ready to ship.

RETAIL

€520 – €1,500

YOUR TRADE TERMS

Preferential, agreed per project

FOR YOUR STUDIO

- Exact dimensions and a scale diagram on every piece page
- Extra photographs on request, within one working day
- Studio credit when we share the piece, if you want it
- Every enquiry answered within one working day

Commissions

A piece made for one space, from wood chosen for it.

HOW IT WORKS

1. **Brief.** Send photos or a plan of the space and the dimensions.
2. **The wood.** Chosen for your space, shown to you before work begins.
3. **Agreement.** You confirm the wood, size and terms.
4. **Making & delivery.** Progress photos, then delivery.

PRICING & TIMELINE

Agreed per project, before work begins.

SEE PAST COMMISSIONS

CARE

Heat-treated at 200 °C · no chemical finish · indoor use

Delivery

Courier shipping across Europe, **included in the price**. Outside the EU, import taxes are paid by the buyer.

Packaging

Packaging from natural materials, included.

One of one

Every piece exists once. When it finds a home, it leaves the collection.
